

## Microsoft Internet Explorer Browser Security/Cookie Instructions

Revision: 20090123.0

### YOU MUST DO THIS BEFORE YOU TRY TO REGISTER OR YOUR REGISTRATION WILL FAIL.

- o This problem has been the cause of several calls and emails. If you are unfamiliar with your browser's security settings, you can change your settings back the way they were after you register.

### Microsoft Internet Explorer Session Cookies

- o Click on "Tools" then "Internet Options".

The screenshot shows a Microsoft Internet Explorer browser window displaying the Bixby Youth Baseball login page. The browser's address bar shows the URL <http://www.jevin.net/jevin/login.pl?OrgId=97>. The page title is "Bixby Youth Baseball Login - Microsoft Internet Explorer provided by EDS COE". The browser's menu bar includes File, Edit, View, Favorites, Tools, and Help. The Tools menu is open, showing options like Clear Browsing History..., Pop-up Blocker, Phishing Filter, Manage Add-ons, Subscribe to this Feed, Feed Discovery, Windows Messenger, Diagnose Connection Problems..., Add to Evernote, Spybot - Search & Destroy Configuration, Send to OneNote, and Internet Options. Two blue arrows point to the Tools menu and the Internet Options option, both labeled "CLICK HERE".

The login page content includes the following elements:
